#### For the Post. A TRIEUTE,

TO IL T. HARRIS, ESQ.

An angel so iled upon thy birth, And hourly wateried around they bed; And G mas -- firest gift of earth -- Strewed flowers provided thy infact head: O, who can goz inport to brow So will be beautiful to discrete. Or wards thy origin eyes' kinding glow, And doubt that device sparales there.

I've seen thee ' mest the glitt ring thr rg, Where geth sish tilts a zz'nig light, Moving as if il on diet belouer To some pure planet still more bright.
Though wealth around thee coes not throw The circle of its and bright —
Thou art like the sporting gens that glow

Rich in their own and rrower light. O), Ti) ! we then the blink to curse Where Grades' takes a wires at 2. There fin and a record (keplane) bearse "Compose Liverno red "Fing antry."
The fry, the frame of the fair,
Alike awart to outing coon;
But, he this nod figurius spare,
That it to earth may give its bloom.

### Communicated.

MYRTL GROVE, Ky . Jan. 1854.

[For the Post.] "O, we I some power the liftti giens,

by the sinderts of SI. Mary's, toxching a price of garbled powery taken from the writings of Cowper; and which, from the myself.

JAMES McKEIGNEY, bundled to one hundred and lifty warriors rejointer of the aforesaid Bates, so ms to have be a surreguitionsly plaggrized by hun, but which, from the case relationship between the Utaks shap between party and music, he atstance of the aforesaid Bates, and also barter skins and in outhern Jearsila Apacles con more shape between the Utaks and northern Jearsila Apacles con more shape between the utaks and northern Jearsila Apacles con more shape between the utaks and northern Jearsila Apacles con more shape between the utaks and northern Jearsila Apacles con more shape between the utaks and northern Jearsila Apacles con more shape between the utaks and northern Jearsila Apacles con more shape between the utaks and northern Jearsila Apacles con more shape between the utaks and northern Jearsila Apacles con more shape between the utaks and northern Jearsila Apacles con more shape between the utaks and northern Jearsila Apacles con more shape between the utaks and northern Jearsila Apacles con more shape between the utaks and northern Jearsila Apacles con more shape between the utaks and northern Jearsila Apacles con more shape between the utaks and northern Jearsila Apacles con more shape between the utaks and northern Jearsila Apacles con more shape and the contract of the affect of remove doubt his capical to doub ship is tween pretry and music, he attempt to play of on his ellup." The Post containing the strictures did not reach may but I read in his rejoinder that the postry was attacked. I demar, and the postry was attacked.
